What is Designated Dawgs?

Designated Dawgs is a nonjudgmental, student-run, safe ride program that operates Thursday, Friday and Saturday nights from 10 p.m. to 3 a.m. Through the dedication and efforts of our volunteers, Designated Dawgs has established itself as one of the nation's premier safe ride programs and has saved a countless number of lives, while increasing safety in downtown Athens.

Designated Dawgs' Mission:

To make the city of Athens a safer place by providing University of Georgia students and others in need with a safe, free, nonjudgmental ride home Thursday through Saturday nights from 10PM to 3AM.

Designated Dawgs Stance on Alcohol:

Designated Dawgs does not encourage underage or irresponsible drinking; however, we believe that it is ultimately the student's choice whether or not to drink. We maintain that those who chose to drink should do so in a responsible manner, and that they NEVER drink and drive. Our nonjudgmental stance regarding extends to our volunteers as well. We only ask our volunteers to avoid consumption of alcohol at least 12 hours before they volunteer, and to never drink and drive.
